**According to CNNMoney.com, Loudoun is #1 on the list of top U.S. locations for job creation.**

## The Right Location

- Loudoun boasts a wide selection of real estate product types. Our office, industrial, flex and mixed-use options provide custom settings for each of the diverse industry sectors in Loudoun's distinct planned business corridors.
- Major technology companies and federal government contractors value the appeal of the highly-visible Route 28 corridor, offering easy access to Washington Dulles International Airport and the rest of the Washington, D.C. metropolitan region.
- The Route 606 industrial corridor provides direct access to the adjacent Washington-Dulles International airport; the region's economic engine.

## Accolades
